**** WE ARE CURRENTLY OPERATING NORMALLY AT THE START OF OUR 2022-2023 SEASON. IF CASES RISE ENOUGH, WE WILL IMPLEMENT THE POLICIES BELOW ****

POLICIES IN PLACE FOR COVID-19

NOTE: Any change to these policies will be communicated via email.

- Masks will be optional for our students. After operating the past few years, we can confidently say that we are able to keep our dancers distanced during class. They are only standing close for a few minutes when they're lined up to walk in/out of class (less than 5 minutes in total). I will leave it up to the discretion of the parents if they want to be masked before, after and during class. Please discuss with your child what your preference is, and if you want your child to keep their mask on during class, please let your child's instructor know.
- We have multiple hand sanitizers in each room. Dancers will be asked to use sanitizer upon entering and exiting the studio.

2022-2023 MLSD Recreational Class Schedule v2

- We will have dancers spaced out in the dance rooms, using floor markings to designate their dance area, and have no-contact choreography in our recreational classes. The dancers are excellent about staying on their marks during class, so they remain distanced.
- The lobby will be closed to parents, other than for shoe fittings, and to make payments/ask questions at the front desk. Dancers may wait in the lobby on breaks between classes as long as they stay sitting in the chairs which are distanced. If we have an apprehensive dancer the first week of two, we will allow parents to walk their dancer into the studio, but they will not be allowed to stay.
 - NOTE: Dancers will wait outside until their class has been called inside by their teacher to prevent over-crowding in the lobby.
- Watch weeks will be suspended until it's safe to allow more people into the studio. We will post watch week videos in our classroom pages throughout the year!
- Recreational dancers will bring their belongings into the dance room and place them in their designated space (we have boxes taped off), to prevent congregating at the cubbies in the lobby. Cubbies will only be used by dancers who have had them assigned for the evening.
- The studio is being thoroughly cleaned and sanitized daily, with equipment being sanitizing between classes as well.
- If we have a dancer test positive for COVID-19, we will follow the guidelines from the local health department for how to proceed.
- If we are required to suspend in-studio classes for a period of time, we will hold classes over Zoom. No discounts or refunds will be issued if we move class to Zoom, but recreational families have the option to drop a class at the end of the month. If that happens the spot will not be held, and you are still liable for any outstanding balances, including costume balances.

FIVE POINTS DANCERS: Classes held at Five Points are subject to the mask policies in place at Five Points. I will notify you of any changes as I become aware of them.
